

Requirements for customized parameters of the robot			Customer's Needs	
内容 Requirement	单位 Unit of measurement	说明 Description	数值 Required unit of measurement	说明 Description of specific need
续航时间 Battery life	Hour	机器人充满电的状况下站立运行的时间 The time the robot can stand and run when fully charged		
续航距离 Endurance distance	KM	机器人充满电的状况下可行驶的最大距离 The maximum distance the robot can travel when fully charged		
负载 Load	KG	满足续航时间内，机器人所能带的负载 The load that the robot can carry when the battery life is satisfied		
尺寸 Size	mm x mm x mm	机器人长宽高 The length, width and height of the robot		
防护能力 IP rating	IP rating	机器人的防尘防水性能 Dustproof and waterproof performance of the robot		
寿命 Robot life	Year	机器人质保年限 Warranty period of the robot		
运行速度 Running speed	m/s	机器人站立状态下最高行驶速度 The maximum traveling speed of the robot while standing		
重量 Weight	KG	机器人整机允许的最大重量 The maximum allowable weight of the robot		
匍匐姿态 Creeping posture	Yes/No	机器人是否可以匍匐运行 Can the robot crawl?		
最大越障高度 Maximum obstacle clearance	mm	机器人能越过的最大障碍高度 The maximum obstacle height that the robot can overcome		
跳跃高度 Jump height	mm	机器人最大跳跃高度 The maximum jumping height of the robot		
单边高度 Maximum obstacle clearance with one leg	mm	机器人单腿能越过的最大障碍高度 The maximum obstacle height that the robot can overcome with one leg		
机器人是否需要空运 Transported by air?	Yes/No	Does the robot need to be transported by air?		
机器人头部是否需要定做 Body customization	Yes/No	如有，请说明需求。 如无，从现有方案中选出符合机器人要求的头部 Does the robot's body need to be customized? If so, please specify.		
机器人脑袋上需要安装什么东西， 请提供尺寸。 Things that would be installed on bodu of the robot? Please provide the sizes.				
机器人走线是否有要求 Any requirements for the wiring of the robot?	Yes/No	如有，请说明需求。 Are there any requirements for the wiring of the robot? If so, please specify.
